**Key to Classification
of Subject Index**

- (*) Original signed article
(PR) Publication review
(SR) Short report

This index to PUBLIC HEALTH REPORTS is divided into a subject index and an author index. The subject index carries one or more entries for each item published. In addition to the subject headings, categorical headings include ANNOUNCEMENTS, CONFERENCES and ORGANIZATIONS; BIBLIOGRAPHIES; CONTRACTS, FELLOWSHIPS, GRANTS; FEDERAL REGISTER BRIEFS; FILMS; and PUBLICATION REVIEWS.

SUBJECT INDEX

ABNORMALITIES

- cost of treating birth defects, State Crippled Children's Services, 1975 *420
- physician-diagnosed, in black and white children in a total community, Bogalusa, La *124
- risk of malformations from mothers' use of hormone progesterin during early pregnancy (SR) 95

ABORTION

- induced, completeness and accuracy of reporting, Hawaii's hospitals, 1970-74 *454

ADOLESCENTS

- contraceptive clinic programs, community linkages and outreach services *415
- health-related behavior, some indicators of *109

AGED AND AGING

- see also* Geriatrics
- expanding opportunities for services and jobs for older people under Comprehensive Employment and Training Act (SR) 392
- hyperpyrexia among nursing home residents due to air-conditioning failure *466
- "Special Report on Aging: 1979" (PR) 579

ALCOHOLISM

- pitfalls and successes in recruiting recovered alcoholic women for research *332

AMBULATORY CARE

- visits, system for classifying data concerning reasons for (PR) 389

ANIMALS

- biting, public health problem in Jefferson County, Ala *528
- cattle and sheep; FDA bans diethylstilbestrol as growth promoter (SR) *
- pet ownership, survey of attitudes toward responsible *380
- testing laboratories, standards set on safety of FDA-regulated products (SR) 197

ANNOUNCEMENTS, CONFERENCES

- Data Tape Users Conference sponsored by National Center for Health Statistics 95
- international conference and education workshop on hypothermia 578
- Measuring Impact on Health Status: An Examination of Issues and Problems; symposium at meeting of American Association for Advancement of Science 578
- national conference on modeling of the dental delivery system in the United States and the use of modeling as a dental manpower planning tool .. 291
- National Symposium on Wastewater Aerosols and Disease 392
- Prevention: Closing the Knowledge-Action Gap, sponsored by Australian and New Zealand Society for Epidemiology and Research in Com-

- munity Health and the Australian Public Health Association 96
- seminar on industrial toxicology 583
- seminar on occupational control of hazardous materials 583
- 10th International Conference on Health Education, London 291
- toxicology of respiratory particles, 19th Annual Hanford Life Sciences Symposium 392

ANNOUNCEMENTS, ORGANIZATIONS

- American Association for Laboratory Science, call for papers (SR) 94
- American Public Health Association's mental health section offers stress reduction techniques; experimental workshop 390
- Arthritis Information Clearinghouse set up at NIH .. 193
- Institute of Human Nutrition sponsors symposium on nutrition and killer diseases 390
- Society for Clinical Trials meeting, call for papers .. 580

ARTHRITIS

- clearinghouse for information set up at NIH (SR) .. 193
- Lyme, physicians search for cause (SR) 487

ARTHRITIS CENTER OF HAWAII

- concepts and rationale for developing an outcome-based evaluation plan for *357

ASBESTOS

- exposure to, campaign for greater public awareness of health hazards (SR) 388
- potential to cause cancer, sources of exposure, and protective measures (PR) 286

BEHAVIOR

- health-related, some indicators among adolescents in United States *109
- preventive health behaviors, interrelationships among: test of competing hypotheses *216
- Surgeon General's Report on Health Promotion and Disease Prevention 483

BIBLIOGRAPHIES

- National Library of Medicine 288
- on tropical medicine produced by National Library of Medicine on trial basis (SR) 582

BIOLOGY

- living cell, history of complex world inside (PR) .. 196

BIRTH CONTROL *see* Family Planning

BIRTHS *see* Vital Statistics

BITES

- animal, public health problem in Jefferson County, Ala *528
- human, epidemiology of 892 reports from New York City, 1977 *514

BURNS

- epidemiology of injuries, New York *312

CANCER

- asbestos a potential cause; sources of exposure and protective measures (PR) 286
- breast, new test to detect spread (SR) 491
- genetic considerations in incidence among humans .. *471
- incidence rates, newly reported (PR) 95
- information service, toll-free telephone inquiry system (SR) 579
- liver, in male and female mice, caused by agricultural pesticide toxaphene (PR) 291
- survival data on VA patients (PR) 93
- what blacks and Hispanics should know (PR) 390

CARDIOVASCULAR DISEASE

- in rural Tennessee, effect of increased access to health care on mortality from *186

CENTER FOR DISEASE CONTROL

- homestudy programs, enhancing a university's health science curriculum with *366

CENTRAL PLACE THEORY

- guide to the delineation of medical care regions, medical trade areas, and hospital service areas .. *248

CHILD HEALTH AND WELFARE

- see also* Adolescents, Infants, Youths
- black and white children, physician-diagnosed abnormalities in a total community, Bogalusa, La . *124
- cost effectiveness of screening children in health centers *362
- cost of treating birth defects in State Crippled Children's Services, 1975 *420
- mental health; forces that shape the lives of our young *399
- risk of malformations from mothers' use of hormone progesterin during early pregnancy (SR) 95
- school-based influenza surveillance system *88
- work during pregnancy and subsequent hospitalization of mothers and infants; evidence from the National Survey of Family Growth *425

CHRONIC DISEASES

- see also* name of disease
- chronically ill; new medical information systems aid in treating (SR) 579

CLINICS *see* Health Facilities

COMMUNITY BOARDS

- effectiveness of participation in mental health programs; comparative case studies of two boards, Massachusetts *268
- trained to increase effectiveness of a neighborhood health center, New York City *275

COMPUTERS

- Data Tape Users Conference announced by National Center for Health Statistics (SR) 95

CONTRACEPTIVES

- clinic for adolescents, community linkages and outreach services *415
- oral and IUD, complications with use among Navajo women *243

CONTRACTS, FELLOWSHIPS, GRANTS

- BHM contract to develop and test a comprehensive system of continuing education for working health administrators and planners to University of Massachusetts, Amherst 195
- BHM contract to develop health professions in the Trust Territories of the Pacific Islands 576
- fellowships for research and study abroad in the health sciences 389
- solar energy demonstration projects; HEW awards \$1.2 million 580

CONTROLLED SUBSTANCES *see* Drugs

CYSTIC FIBROSIS

- new test to detect carriers of gene (SR) 576

DATA COLLECTION *see* Surveys

DEATH

- study of where people died in 1977 in upstate New York, by cause, decedent's age, sex, marital status, and race *522

DENTAL HEALTH

- see also* Periodontal Disease
- active duty Army, determination of the distribution of dental care needs of *182

DENTAL SCHOOLS

- and medical, an appraisal of 3-year programs *85

DISASTERS

- Hurricane Agnes, emotional and physical distress following, Wyoming Valley of Pennsylvania *495

DRUGS

- amphetamines for weight reduction, FDA proposes to withdraw approval (SR) 578
- diethylstilbestrol, banned by FDA as growth promoter in animals (SR) 583
- hormone progesterin, risks of using during early pregnancy, FDA warning (SR) 95
- natamycin, antibiotic for treating fungus infection of eye approved by FDA (SR) 290

ECONOMICS, HEALTH

- cost-effectiveness analysis principles applied to health programs *535
- cost effectiveness of home health care: overview of literature *305
- cost effectiveness of screening children in health centers *362
- cost of treating birth defects in State Crippled Children's Services, 1975 *420
- cost savings through new technique for reimbursement for medical services (PR) 583

economic and social impact of periodontal disease	*172	enhancing a university's health science curriculum with homestudy programs of the Center for Disease Control	*366
economic perspectives for nurse practitioners	*142	geriatric, current and future needs	*73
differences in length of stay for Medicaid and Blue Cross patients and the effect of intensity of services	*438	geriatrics, report discourages development of formal practice specialty (PR)	286
feasibility and patient mix of family nurse practitioners	*148	graduate education program in public health for American Indians (SR)	287
management issues in the organization and delivery of family planning services	*459	graduate program in podiatric public health, University of Illinois School of Public Health and the Illinois College of Podiatric Medicine in Chicago collaborate (SR)	194
management of health service delivery and professional productivity; a case study model, Children's Hospital Medical Center, Boston	*326	impact of the Health Professions Educational Assistance Act on specialty distribution among first-year residents	*22
regulations to assure the needy free or reduced-cost care in Hill-Burton facilities (SR)	486	National Health Service Corps awards 5,249 scholarships to health students (SR)	94
shared services and other multihospital arrangements	*446	National Health Service Corps scholarships now for later: meeting the health manpower needs of medically underserved areas	*11
EDUCATION NOTES		nursing, Federal support to improve quality of practice	*31
air pollution training courses	101	one-third of U.S. medical students partially trained at Veterans Administration facilities (SR)	
air pollution training institute	584	primary care preceptorships and other factors, influence on physicians' career choices	*36
course on adolescent pregnancy	394	selection of medical students to meet physician manpower needs; a statistical model	*16
development of skills to measure health needs and program outcomes	292	EMERGENCY SERVICES	
laboratory safety training	292	paramedic programs and cardiac mortality: description of a controlled experiment	*80
management of infectious diseases	101	ENERGY	
national conference on child sexual abuse	491	<i>see also</i> Solar Energy	
new MPH program at Yale in long-term care area ..	292	conservation efforts of Bureau of Health Facilities (November-December inside cover)	
postdoctoral fellowships in psycho-social aspects of alcohol and drug use	292	EPIDEMIOLOGY	
regional seminar, Infection Control Today	491	<i>see also</i> name of disease or condition	
resident postdoctoral fellowships offered by Hastings Center, Institute of Society, Ethics, and the Life Sciences	583	burn injury in New York	*312
seminars on operation, control, and management of activated sludge plants treating industrial wastewaters	101	epidemiologic research projects included in TOX-LINE, National Library of Medicine (SR)	489
symposium on drugs and chemical risks to the fetus and newborn	197	epidemiologic tradition; Wade Hampton Frost lecture	*203
ten-day teaching seminar on cardiovascular epidemiology and prevention	101	hepatitis-B surface antigen and antibody: prevalence and persistence in institutionalized and noninstitutionalized persons	*262
training for geriatric nurse practitioners	394	of 892 reports of human bites, New York City, 1977	*514
EDUCATION, PROFESSIONAL		ERRATA	
<i>see also</i> Schools of Public Health; Training		health manpower for the nation, future supply and requirements	196
continuing education for working health administrators and planners, BHM contract to University of Massachusetts, Amherst, for development and testing of comprehensive system (SR)	195	leprosy in the United States, 1967-76	100
continuing medical education for National Health Service Corps professionals assigned to rural areas, University of New Mexico's approach	*281	ETHNIC GROUPS	
dental schools, pilot quality assurance curriculum will be developed and tested by University of Connecticut Health Center under BHM contract (SR)	194	American Indians, graduate education program in public health (SR)	287

black Americans, social science survey of 5,000 (SR)	289	GROSS NATIONAL HEALTH PRODUCT	
Mexican-Americans, hypertension research needed ..	*372	proposed population health index	*119
Navajo women, complications with use of IUD and oral contraceptives	*243	HEALTH CARE	
urban black population, hypertension followup	*130	see also Home Health Care; Rural Health; Urban Health	
urban Mexican-Americans in Ohio, use of the health care delivery system	*226	evaluation, four basic types: clinical reviews, clinical trials, program reviews, and program trials ...	*210
EVALUATION		house calls: anachronism or advent?	*299
concepts and rationale for developing an outcome-based plan for the Arthritis Center of Hawaii	*357	lifestyle and conditions of life in urban and suburban areas, Boston	*477
of a self-administered health history questionnaire used in a general medical outpatient clinic, validity and reliability	*231	"The Prevention Factor," free loan film on how routine care can prevent serious disease (SR)	390
of health care, four basic types: clinical reviews, clinical trials, program reviews, and program trials	*210	HEALTH CAREERS	
EYE DISEASES see Vision		guide to printed and audiovisual materials (PR) ..	196
FAMILY GROWTH		HEALTH DEPARTMENTS	
analysis of data on work during pregnancy and subsequent hospitalization of mothers and infants; evidence from the National Survey of Family Growth	*425	Minnesota, school-based influenza surveillance system	*88
FAMILY PLANNING		strategies for involving in planning; experiences in a rural Georgia health service agency	*336
adolescent contraceptive clinic programs, community linkages and outreach services	*415	HEALTH EDUCATION	
differences in U.S. marital fertility, 1970-73, by planing status of births	*319	Cancer Information Service, toll-free telephone inquiry system (SR)	579
management issues in the organization and delivery of services	*459	messages, assessing readability of	*568
FEDERAL REGISTER BRIEFS		nutrition counseling at planned parenthood centers	*239
changes and developments in the health field	98, 197, 293, 392	nutrition, supermarket launches pilot research with NHLBI (SR)	195
FILMS		planning a community health fair	*156
"Prevention Factor," how routine health care can prevent serious disease, free loan	390	poison prevention materials available (SR)	94
"Seeing," 16-mm, free loan; features Helen Hayes ..	582	poster featuring "droids" from movie "Star Wars" focuses public awareness on childhood immunization (SR)	581
FOODS AND DRUGS		rape prevention education package available (SR) .	195
containing Yellow No. 5; labels must identify (SR)	489	X-rays during pregnancy, poster bearing caution available (SR)	288
GAY BATHHOUSES		HEALTH FACILITIES	
screening for gonorrhea and syphilis in Denver and Los Angeles	*376	see also type of facility	
GENETICS		adolescent contraceptive clinic programs, community linkages and outreach services	*415
carriers of cystic fibrosis gene, new test to detect (SR)	576	evening mental health clinic in county hospital reaches underserved population	*553
considerations in human cancer incidence	*471	general medical outpatient clinic uses self-administered health history questionnaire	*231
GERIATRICS		neighborhood center in New York City; community board trained to increase its effectiveness	*275
development of formal practice specialty discouraged (PR)	286	remote rural clinic manned by a physician's assistant; evaluation	*60
education, current and future needs	*73	rural primary care clinics, progress in development in West Virginia	*369
		skilled nursing facilities, nosocomial infections; preliminary survey	*162
		HEALTH FAIRS see Health Education	
		HEALTH MANPOWER	
		appraisal of 3-year programs in medical and dental schools	*85

changing directions in the training of professionals
(January–February inside cover)

characteristics of graduate students in U.S. schools of public health: comparison of 3 academic years . . .	*67
current and future needs in geriatric education . . .	*73
designation of shortage areas for use by Public Health Service programs	*48
family nurse practitioners, economic feasibility and patient diagnostic mix of	*148
for the nation—a look ahead at the supply and re- quirements	*3, 196
health professions development in the Trust Terri- tories of the Pacific Islands (SR)	576
impact of the Health Professions Educational As- sistance Act on specialty distribution among first-year residents	*22
meeting the needs of medically underserved areas; scholarships now for service later	*11
nurse practitioner as physician substitute in remote area; case study	*571
nurse practitioners, economic perspectives for . . .	*142
nursing education, Federal support to improve quality of practice	*31
paramedic programs and cardiac mortality: de- scription of a controlled experiment	*80
physician's assistants in primary care practices; delegation of tasks and physician supervision . . .	*340
physicians' career choices, influence of primary care preceptorships and other factors	*36
remote, rural clinic manned by a physician's as- sistant; evaluation	*60
selection of medical students to meet needs for physicians; a statistical model	*16

HEALTH PLANNING

for services, marketing research; a model	*503
guide to delineation of medical care regions, medi- cal trade areas, and hospital service areas	*248
Institute for Strategic Health Care Planning de- veloping series of seminars (SR)	194
lifestyle, conditions of life, and health care in urban and suburban areas, Boston	*477
newsletter, new monthly for members of health sys- tems agencies governing bodies (SR)	488
procedural considerations concerning data collectors and types of data obtained in household inter- view surveys	*136
strategies for involving health departments in; ex- periences in a rural Georgia health service agency .	*336

HEALTH RESOURCES ADMINISTRATION

Bureau of Health Planning and Research Develop- ment split into two new bureaus (SR)	96
---	----

HEALTH SERVICES

management of delivery and professional productiv- ity: a case study model, Children's Hospital Medical Center, Boston	*326
--	------

HEALTH STATISTICS

induced abortions performed in Hawaii's hospitals, 1970–74; completeness and accuracy of re- porting	*454
proposed population health index: the gross na- tional health product	*119
state of the nation's health, 1978 (PR)	285

HEALTH SYSTEMS AGENCIES

health planning newsletter for governing bodies of (SR)	488
strategies for involvement of health departments in planning experiences in rural Georgia	*336

HEPATITIS

prevalence and persistence of hepatitis-B surface antigen and antibody in institutionalized and noninstitutionalized persons	*262
--	------

HOME HEALTH CARE

cost effectiveness: overview of literature	*305
--	------

HOSPITALS

construction, DHEW issues final regulations estab- lishing general standards for (SR)	96
differences in length of stay of Medicaid and Blue Cross patients and the effect of intensity of services	*438
in Hawaii, completeness and accuracy of reporting induced abortions performed, 1970–74	*454
multihospital movement defined	*446
short-stay, use in the United States, 1976 (PR) . . .	93

HOUSE CALLS

anachronism or advent?	*299
----------------------------------	------

HYPERPYREXIA

due to air-conditioning failure in a nursing home . .	*466
---	------

HYPERTENSION

followup in an urban black population	*130
research need for Mexican-Americans	*372

INDIANS, AMERICAN *see* Ethnic Groups

INFANTS

mortality in Newark, N.J.; sociodemographic and medical factors	*349
--	------

INFORMATION SYSTEMS

medical, aid in treating chronically ill (SR)	579
---	-----

INFLUENZA

school-based surveillance system, Minnesota	*85
---	-----

INSURANCE, HEALTH

differences in length of hospital stay for Medicaid and Blue Cross patients and the effect of intensity of services	*438
---	------

INTERNATIONAL HEALTH

job safety and health; U.S. agencies to exchange information with Commission of European Com- munities (SR)	579
---	-----

new journal, <i>Sociology of Health and Illness</i> (SR) .	193	MEDICINE, TROPICAL	
primary health care, report by WHO and United Nations Children's Fund (PR)	97	bibliography produced on trial basis by National Library of Medicine (SR)	582
JOB CORPS		MENTAL HEALTH	
experience with health problems among disadvantaged youths	*407	effective citizen participation: comparative case studies of two boards, Massachusetts	*268
LABORATORIES		emotional and physical distress following Hurricane Agnes, Wyoming Valley of Pennsylvania	*495
conducting animal tests, standards established on safety of FDA-regulated products (SR)	197	evening clinic in county general hospital reaches underserved population	*553
LAWS AND REGULATIONS		forces that shape the lives of our young	*399
see also Federal Register Briefs		stress reduction techniques, experimental workshop offered at annual APHA meeting (SR)	390
final regulations establishing general standards for hospital construction issued by DHEW (SR)	96	MILITARY PERSONNEL	
health manpower shortage areas, designation for use by Public Health Service programs	*48	active duty Army, determination of the distribution of dental care needs of	*182
Health Professions Educational Assistance Act, impact on specialty distribution among first-year residents	*22	rubella vaccination for women entering U.S. Army ..	*564
standards established for animal studies on safety of FDA-regulated products (SR)	197	NATIONAL HEALTH SERVICE CORPS	
MALARIA		assignment of a nurse practitioner as a physician substitute in remote rural community; case study	*571
infected red blood cells, spleen the major organ in removal from bloodstream (SR)	290	awards scholarships to health students (PR)	94
MANPOWER see Health Manpower		caring for the people; supplement to July-August issue	
MATERNAL HEALTH		continuing medical education for professionals assigned to rural areas, University of New Mexico's approach	*281
comparison of mothers' occupations reported on live birth certificates and on a survey questionnaire	*432	scholarship programs to meet health manpower needs of medically underserved areas	*11
risks of using hormone progesterin during early pregnancy, FDA warnings (SR)	95	NEW HEALTH PROFESSIONALS see Health Manpower	
work during pregnancy and subsequent hospitalization of mothers and infants; evidence from the National Survey of Family Growth	*425	NOSOCOMIAL INFECTIONS	
MEDICAID see Insurance, Health		in skilled nursing facilities; preliminary survey	*162
MEDICAL CARE		NUCLEAR ACCIDENTS	
a guide to delineation of medical care regions, medical trade areas, and hospital service areas ..	*248	population dose and impact on health of Three-Mile Island accident (PR)	387
shared services and other multihospital arrangements	*446	NURSE PRACTITIONERS see Health Manpower	
MEDICAL SCHOOLS		NURSING	
and dental, an appraisal of 3-year programs	*85	education, Federal support to improve quality of practice	*31
selection of medical students to meet physician manpower needs; a statistical model	*16	NUTRITION	
MEDICINE, PREVENTIVE		counseling at planned parenthood centers	*239
"Healthy People: The Surgeon General's Report on Health Promotion and Disease Prevention"		"Foods for Health," supermarket launches pilot research program with NHLBI (SR)	195
beyond the absence of illness		labeling on food packages, FDA evaluation of availability (SR)	193
(September-October inside cover)		OCCUPATIONAL HEALTH	
adaptation of a chapter	483	asbestos exposure, campaign for greater public awareness of health hazards (SR)	388
human antirabies treatment in the United States, 1972	*166	comparison of mothers' occupations reported on live birth certificates and on a survey questionnaire	*432
rubella vaccination for women entering the U.S. Army	*564	job safety and health agencies cooperate to increase efficiency and effectiveness (SR)	486

OSHA and NIOSH to exchange information on job safety and health with Commission of European Communities (SR)	579	"Primary Health Care." A joint report by Director-General of the World Health Organization and the Executive Director of the United Nation's Children's Fund	97
PERIODONTAL DISEASE		"SEER Program. Cancer Incidence and Mortality in the United States, 1973-76"	95
economic and social impact	*172	"Sociology of Health and Illness," new international journal scheduled, spring 1979	193
